

Egg Painting Make & Do Instructions:

You will need:

Eggs

Saucepan and water

Acrylic paint

Paintbrushes in different sizes

A grown up to help!

Instructions:

1. Ask your grown up to boil the eggs in a saucepan for 15 minutes and let them cool completely
2. Paint half of an egg the same colour as your favourite Bike Buddy and let it dry
3. Paint your Buddy's face on top of the colour and dry
4. Paint the other half of the egg with the same colour as the first half
5. Keep going until you have all of the Buddies!
6. If you have any eggs left over, you could paint some in the same way but add tyre marks instead of faces or even paint your other favourite bikes and trikes from Wheelford!
